Indoor Group Camp in Wisconsin State Parks

The Wyalusing indoor group camp may be reserved up to one year in advance before the date the site is to be occupied. If the reservation is for a weekend night, it must be for at least two nights. Use the *Indoor Group Camp Reservation Request* form, which is available at parks and other DNR offices and on the Web at www.wiparks.net

Before submitting the form, we suggest that you determine availability by calling the park or forest where the group camp is located. Experience has shown that these preliminary discussions are valuable to groups wanting to use the facilities. Questions regarding overnight accommodations, cooking facilities, recreational opportunities, etc. can be clearly answered.

Valid vehicle admission stickers are required at all the camps.
